Mode 1: Email --Sent via OPHCS NOV 19, 2020

- Numbers of Confirmed – 100% (13)

Recipient	Recipient Count	Recipient Delivered	Responded / %		No Response
NEO Healthcare Coalition Leadership	13	13	13	100%	0

Message:

This message is being sent to initiate a Northeast Ohio Healthcare Coalition redundant communication drill. Please join the Executive Committee at 1:30 P.M. today for a brief conference call at 8665034605, passcode 2337262615#.

If you select **Available** using phone, the system will automatically connect you to conference call line so don't hang up.

If this was a real event, we would use this process for an Executive Committee member to share information that may impact northeast Ohio.

Response:

1. No Response – 0
2. Available –11
3. Unavailable –2

Mode 2: Phone Call: Numbers of Confirmed – 11

Winter, Kenneth	Hospital	Lake	Available	✓
Bishop, Andrea	Hospital Association	Region 2	Available	✓

Discussion Next Steps:

- The Executive Committee would ensure their respective County Emergency Management Agency (EMA) Director was notified and then they would determine need to share information to county coalition agencies. The Regional Healthcare Coordinator (RHC) would share information with Regional Hospitals as appropriate.
- Decision was made to defer any further information sharing at this time due to COVID-19 pandemic response.
- EMAs are asked to review the updated Healthcare Situational Report Tool Survey for suitability.
